RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
Washington, DC 20231

Dear Sir:

In response to the Restriction Requirement dated June 28, 2002, Applicant hereby elects, with traverse, group I, claims 1-35 to prosecute in the above-identified patent application. Applicant respectfully traverses the Restriction Requirement on the grounds that not all the claims in group II recite making the invention using a robotic controlled application tool. This only applies to claims 40-46 and 56. Claims 36-39 and 47-55 may be performed manually or robotically. Therefore, for at least the reasons above, it is respectfully submitted that the restriction is traversed.

If any fees are due in connection with the filing this Response to Restriction Requirement, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. APL1P210).

Respectfully submitted,
BEYER WEAVER & THOMAS, LLP
